

The D&B® Small Business Financial Exchange (SBFE) Score

Last updated August 05, 2025

940

A score of **940** means your business is perceived to be at **Low Risk** of potentially making a late financial services payment over the next 12 months.

High Risk
706 - 799

Moderate-High Risk
800 - 839

Moderate Risk
840 - 879

Low-Moderate Risk
880 - 899

▼
Low Risk
900 - 999

About this score

This score is calculated using the Delinquency Predictor Score data plus financial services payment data reported to the [Small Business Financial Exchange \(SBFE\)](#) by its member financial services companies (e.g., banks, leasing, and credit card companies).

Who uses this score?

This score is available to a limited audience that includes financial services companies that contribute payment data to the SBFE and may be used by these companies to evaluate your business's creditworthiness.
